**1 // Colby, KS** Cheyenne's Frontier Days is the world's largest outdoor rodeo, and there's fun to be had throughout the grounds with vendors, rides and shows related to the wild west. Travel west, where the landscape is as untamed as the broncs in the ring. Stop in Colby for the night.

**2 // Cheyenne, WY** Three days of rodeo action starts today. Take our seats for the **Cheyenne Rodeo**. Broncs, bulls, bolos and bozo keep us entertained, and the rest of the day is ours to watch street performers, enjoy carnival food or help ourselves to midway fun. Dinner is included.

**3 // Cheyenne, WY** Take part in a Cheyenne tradition this morning, the **Grand Parade**. Since 1926, when the citizens of Cheyenne "civilized" the rowdy collection of cowboys on parade, it has featured fabulous floats, horse-drawn vehicles and exceptional marching bands. Then, visit the **Old West Museum**, full of cowboy memorabilia and featuring over 150 horse-drawn vehicles. Last, experience the exciting thrills of another day at the **rodeo**.

**4 // North Platte, NE** Start the day at the famous **pancake breakfast**, sharing this experience with thousands of other rodeo enthusiasts. Continue behind the scenes with a **Behind the Chutes** tour. Follow the path of the bulls and broncs as the animals are rounded up and threaded through the maze of gates on their way to the chutes and out into the arena with cowboy in tow. After lunch, tour the **New Belgium Brewery** in Fort Collins. Celebrate the day when the east met the west, when the golden spike was driven to finish the Transcontinental Railroad in 1869. Rise to the top of **Golden Spike Tower**, overlooking the world's largest rail yard and symbolizing westward expansion. Dinner is included.

**5 // Home** Ride home after a spectacular rodeo event and a classic western experience.
