Day 2  CB, L, D  St. Louis, MO
Journey via Tram Ride to the Top of the iconic 630-foot Gateway Arch, the tallest man-made monument in the US. Learn about the inspiration behind this timeless design and the determination of the men who brought the Gateway Arch to life in the award-winning movie, Monument to the Dream. Enjoy brilliant views and gain a new perspective of the arch while cruising the Mighty Mississippi on a Riverboat Cruise, lunch included. Trace the story of the Native Americans, pioneers, and rebels who made America possible at the Gateway Arch Museum. This innovative and interactive museum celebrates America’s defining spirit of discovery. Top off the day in the splendor of a St. Louis historic landmark, the Fabulous Fox Theatre. Enjoy a delightful dinner at the theatre, followed by a Broadway production of My Fair Lady.

Day 3  CB  St. Louis, MO
Start your morning at the Cathedral Basilica of Saint Louis, with its elegant Romanesque facade, iconic green dome and one of the largest mosaic collections in the Western Hemisphere. Have a splashin’ good time at the all new St. Louis Aquarium. This complex holds over 13,000 diverse marine life animals, including rays, sharks, an octopus—and, of course, a cardinalfish. Next, have an amazing hands-on experience at the Third Degree Glass Studio. Get an in-depth tour of the studio, then, sculpt your own colorful glass paperweight in their workshop. A spectacularly animated fire and light show, synchronized to music, will dazzle your evening at Union Station’s small lake.

Day 4  CB, L  St. Louis, MO
On our way home, tour the historic Warm Springs Ranch. See the world famous Budweiser Clydesdale’s paddock and stables. These grand horses, which live like royalty among stained glass and brass chandeliers, appear in various parades and TV commercials.
