Day 1  Denver, CO
With nearly 3,500 square miles of wilderness atop a volcanic hot spot, Yellowstone National Park spreads into three states and features dramatic canyons, alpine rivers, lush forests, hot springs and gushing geysers including its most famous, Old Faithful. It is also home to hundreds of animal species including bears, wolves, bison, elk and antelope. We begin our unforgettable journey west today.

Get some rest tonight, because the rich natural beauty we’ll experience tomorrow will never be forgotten.

Breathe in the landscape bathed in white as we explore landmarks in Yellowstone National Park.

“I’ve taken several tours and all were very well planned and fun. So great to sit back and let someone else make the arrangements and drive.”
